BIO:

From a young age, Arjay had a passion for entertaining, starting with songs, plays, and puppet shows that captivated audiences. His love for performing led to a job as Santa at a Sears and Roebuck in a local mall.

He had found his calling.

But his story doesn't end there. His love of performing led him to pursue acting at New York City's prestigious American Academy Of Dramatic Arts. Then, a chance encounter with a magician sparked a fascination with the art of magic. Within a year, Arjay was dazzling crowds with sleight-of-hand on the bustling streets of Manhattan, supporting himself by sharing his magical talents with passersby.

He went onto perform in theatre, even the Broadway show “BARNUM”, and still made appearances as the jolly old elf every year. He performed at prestigious department stores like Gimbel's, where he was crowned the best Santa Claus in New York by the Soho Weekly News.

But Santa Arjay's magic doesn't stop there - he has sailed the high seas, bringing holiday cheer to passengers on cruise ships for Princess Cruises.

He has graced stages with his presence, mesmerizing audiences of all ages with his timeless charm. In a truly unforgettable moment, Santa Arjay even shared the stage with the prestigious Philadelphia Orchestra in 2023.

Experience the enchantment and wonder of Santa Arjay this holiday season. Book him for your event and let the magic of Christmas come alive with the one and only Santa Claus who has captured hearts all over the world with his genuine love for spreading joy and happiness.
